At Saksiam Leasing Public Company Limited, ... branch

Date.....

Consent Form for Personal Data Processing
under Personal Data Protection Act B.E. 2562

In order to comply with the Personal Data Protection Act B.E. 2562, Saksiam Leasing Public Company Limited including its associates, as a "personal data controller", is required to ask for your consent and inform you of purposes of personal data processing as you are a data subject for keeping your personal data confidential with appropriate security standards.

By this letter, **I**, Mr./Mrs./Miss**.....holding identification card no. .....Tel.....as "shareholder"** hereby gives my consent to **Saksiam Leasing Public Company Limited including its associates** (the "**Company**") to collect, store, use and disclose my personal data (together referred to as "**Data Processing**") for the purpose of establishing a database, counting, and contracting for the benefit of prosecuting criminal offenses or for the benefit of legal compliance. In this regard, you can find more details on the Data Processing in "Privacy Notice" on our company's website.

In the case of the Company's Data Processing requires consent according to laws, I hereby give my consent to the Company for Data Processing for the following purpose:

1. I give consent for the Company to conduct Data Processing of personal data which are profile (name and address), phone number and email in order to exercising of the shareholders' right to propose agenda in advance for the Annual General Meeting of Shareholder.

☐ *Give consent* ☐ *Decline to give consent*

However, before giving consent, I have read the details from the Privacy Notice or have received an explanation from the Company regarding the purpose of Data Processing and been aware of all details.

I voluntarily give my consent or decline to give consent to this request without coercion or persuasion, and I acknowledged that I am entitled to withdraw my consent given at any time except in the case of legal restrictions or there is a contract between me and the Company which still benefit me.

In case of giving consent withdrawal, I acknowledged that the withdrawal, however, will not affect any part of the Data Processing activities of my personal data prior to such withdrawal, but it may result in my disqualification from certain rights.
